

Solo Filmmaking Mentorship Program Refund and Guarantee

Thank you for purchasing this program! I look forward to helping you along your filmmaking journey.

These are the terms and conditions of the refund and guarantee for the Solo Filmmaking Mentorship Program.

This guarantee applies to all purchases made during the month of July 2022.

14-day UNCONDITIONAL:

You have 14 days from the date of purchase to request a no-questions-asked refund. Please email me: colette@storyenvelopeacademy.org and request a refund. You will receive a refund within 2 business days. It will take time for the credit card company and your bank to process the refund. However, on my end I will process the refund within 2 business days.

12 month CONDITIONAL:

In addition, if you do **all** the projects in the program within 12 months of purchase and don't see massive results in your skills, confidence and ability to take on bigger and more challenging filmmaking projects, you can get a full refund and keep the program.

This program works extraordinarily well as long as you do the projects.

So do all the projects. It will take you about 100 hours to do everything. And if you're not blown away by how much you've improved, just ask for a refund. You will get a full refund within 7 business days.

However you must request this refund within 365 days of purchase.

Please note: I cannot do the work for you. You must do the work and do the projects to see the results. Project-based learning requires effort, time, and commitment. You'll get out what you put into this program.
